**COMBINED DECLARATION AND POWER OF ATTORNEY**

As a below named inventor, I hereby declare that:

My residence, post office address and citizenship are as stated below next to my name.

I believe I am the original, first and sole inventor (if only one name is listed below) or an original, first and joint inventor (if more than one name is listed below) of the subject matter that is claimed and for which a patent is sought on the invention entitled

POST-BIOPSY CAVITY TREATMENT IMPLANTS AND METHODS

and for which an Application for United States Design Patent was filed in the United States Patent and Trademark Office on October 16, 2003, as Application Serial No. 10/688,289.

I hereby state that I have reviewed and understood the contents of the above-identified specification, including the claims, as amended by any amendment referred to above.

I acknowledge the duty to disclose information which is material to patentability as defined in 37, CFR §1.56, and which is material to the examination of this application, namely, information where there is a substantial likelihood that a reasonable examiner would consider it important in deciding whether to allow the application to issue as a patent.

The undersigned hereby authorizes the U.S. attorney or agent named herein to accept and follow instructions as to any action to be taken in the Patent and Trademark Office regarding this application without direct communication between the U.S. attorney or agent and the undersigned. In the event of a change in the persons from whom instructions may be taken, the U.S. attorney or agent named herein will be so notified by the undersigned.

As a named inventor, I hereby appoint Alan W. Young, Registration No. 37,970, to prosecute this application and transact all business in the Patent and Trademark Office connected therewith.

Address all communications to Alan W. Young at YOUNG LAW FIRM, P.C., 4370 Alpine Road, Suite 106, Portola Valley, CA 94028.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
